An Academic Chain of New Horizon College
(Affiliated to Pokhara University)

Devoted for Developing Human as Human Capital

BBA | BBA-BI

About KIC

KIC, an academic chain of New Horizon College has become a platform to the students exploring their potentials leading to high quality management education. We have been running BBA and BBA-BI programs since 2009 and then it has been a platform to the students exploring their potentials leading to high quality education. It has been evidenced from global practices that these programs are applied business education programs to cater the need of dynamic organization of modern competitive age. These programs, in global context, have been established as the foundation for transferring and developing managerial and leadership skills among the students by familiarizing and exposing them to the ongoing issues, trends, and challenges of real life business community and other organization like banking and insurance companies.

In KIC, we are determined to have the best possible teachers and students to create a vibrant academic atmosphere. We remain focused on nurturing talent. With our unwavering drive towards quality excellence, a culture of collaboration and commitment to the development of our students, we inspire our students the passion to learn and excel and ultimately preparing for the challenges of the real world.

Besides, academic programs we also focus on the social involvement of the management students and developing communication skills among them to interact on the emerging socio economic and financial issues. KIC is distinct in its pedagogical aspects in relation to imparting and delivering business skills and knowledge according to rapidly changing requirement of business society.

Infrastructure

KIC has the excellent structures for its BBA and BBA-BI programmes. All the classes are **air conditioned**, spacious and CCTV installed. The building has a Seminar hall and a Conference hall with the capacity of about 200 persons at a time.

The BBA Program

The BBA program is basically intended for the students seeking their career in Business Administration and Professional Management with the demand of the 21st century management. It provides them with sound conceptual foundation and practical skills in various areas of business and management.

The program specially aims to:

- Prepare students to start professional career in business and public management at an entry level management position.
- Inculcate positive attitude, abilities and practical skills that are essential for socially responsible and competent manager.
- Develop adequate foundation for higher studies in management.

The BBA-BI Program

The bachelor of Business Administration on Banking and Insurance (BBA-BI) program is designed to produce professional managers in banking and insurance businesses. The program provides students with sound conceptual foundation and practical skills in various areas of banking, finance and insurance. Specially, the program aims to develop graduates who:

- have a sound knowledge base and proper conceptual underpinnings of business management, banking, finance and insurance.
- Are well acquainted with the broader contexts of business organization in Nepal and wider world.
- Are independent, critical and creative thinkers with analytical and problem solving skills.
- Are competent in written and oral communication, including the ability to use electronic media and computers for business communication.
- Have the ability to work in team and individually.

P.U. Scholarship:

Completely free education is provided for the students who are selected by the Pokhara University.

Teaching Learning Procedures

KIC has adopted an innovative and advanced teaching learning methodology. The vision “The inquisitive minds need creative teaching’ is the rationale behind this effort. All the educational activities are conducted by the large number of qualified and experienced teaching faculty of strong academic and professional backgrounds. The teaching is entirely interactive and student centered. In addition to common lecture method of teaching, KIC emphasizes on following teaching- learning procedures for our students’ overall development:

- Research based real time case analysis and presentation
- Mentoring among peers
- E- learning
- Field visit and report writing
- Group discussion
- Expert opinion sharing
- Projects assignments
- Seminar on emerging business and economic issues and many more

ECA

All the students are strongly encouraged to participate in extra-curricular activities during **The Sports Week**. All of them take part in the co-curricular activities regularly conducted in the college. Students aspiring for various sports tournament are given special facilities. KIC organizes **KIC Cup, Inter College Basketball Tournament** every year.

KIC Internal Assessment

The faculty members conduct the internal assessment. They are accountable for transparency and reliability of the entire evaluation of the students in the concerned course. The internal assessment of the students is as per the criteria given below.

Nature of Assessmet	Weightage	Marks
Class Test and Preboard Examination	40%	20
Quiz	10%	5
Case Analysis	10%	5
Group Discussion	10%	5
Short Field - Based Assignment	10%	5
Project Work	10%	5
Attendance, Discipline & Homework	10%	5

- Attendance below 80% is not allowed to attend final examination as per University rule.
- The concerned faculties watch the conduct, discipline and regularity of the students & report to the co-ordinator.
- The concerned faculties submit regular homework record of the students to the office of co-ordinator.

Toppers' Views

I feel proud in choosing KIC for my BBA studies. KIC is the only institution in the town where one gets education in more creative, friendly and practical way. The encouraging and stimulating teaching faculties and well equipped computer lab, resourceful library, modern class room and effective management are the strength of KIC. I am happy that KIC has brought the entire corporate world in to me. In deed, KIC has offered me a real flavor of business world.

Ashim Sharma (Alumnus of KIC)
Member, Faculty of KUSOM-BBA Program

Hi friends

This is Binita Chhetri who graduated from KIC. Since I joined KIC BBA studies I always felt it as a part of my future career. Now I feel secured about my future because it has nourished me with much more knowledge and skill. The regular trainings, workshops, case analyses, field visits, presentation in the current financial and economic issues have really increased my level of confidence and have given exposure to an uncanny experience of the corporate world.

Binita Chhetri (3rd position in BBA, Phokhara Univercity)

Hello !

Although I had not much expectation during my admission, I now have developed a sense of a blessed and fortunate one getting opportunities to recognize my own potentials at KIC. I have been able to convince myself that I am going to be one of the most competitive and potential citizens and a pride of the nation. It's all because of exceptionally student centered teaching, maximum exposure to field works, presentations, research works, and more at Kishitiz, Hence I'd truly tell you a secret of KIC that you can feel it just after you become a member of it.

Sagar Bhandari (BBA VI)

After my +2. I was in dilemma about which College to choose for my BBA studies. No sooner I joined KIC, I found it as I was dreaming. The co-operative and friendly teaching faculties, together with helpful seniors make KIC the best college here. We get to enhance our knowledge with the best academic environment thus becoming capable of competing in the field of business management. The dedicated instructors, visiting faculties, varieties of co-curricular activities, the quizzes and tests, inspiring case analyses and presentation and many more are are really encouraging my level of learning and understanding. KIC has built confidence and leadership skill in me. I am sure I made right decision choosing KIC for my future career.

Ram Krishna Acharya (BBA IV)

Namaste !

I have now felt an immense satisfaction to have joined KIC because it has helped me sharpen my talent, and given an exposure of opportunities to face any challenge in competitive markets internationally and at home. The effective and friendly classes, helpful friends, regular fieldworks and presentations, exposure to famous personalities, charming academic environment, friendly teachers and management and many more which can easily convince you to rank Kshitiz the best college in the town.
